

**CLINTON SAVINGS BANK TO HOST “SAND-TASTIC GIVEAWAY CELEBRATION”
ON JUNE 20**

Boylston Event to Feature a Five-ton Sand Sculpture and Prize Giveaway

(CLINTON, Mass., June 8, 2009) – On Saturday, June 20 from 11 a.m. to 2 p.m., Clinton Savings Bank will host the “Sand-tastic Giveaway Celebration” at its Boylston branch at 81 Shrewsbury Street (Route 140). The community event will feature a towering, 7-foot sand castle constructed from five tons of sand by internationally recognized master sculptor Sean Fitzpatrick, and attendees will enjoy food, live entertainment, family activities and the chance to dig out prizes from the giant sand castle.

Fitzpatrick was recently featured on ABC Television’s *Good Morning America* for a special sand sculpture he did on Memorial Day 2009. As part of the Sand-tastic Giveaway Celebration, he will work with children to show them how to build their own fantastic sand castles. When the event ends at 2 p.m., attendees can have some primal fun as they help pull down the entire sand structure!

As an added benefit, Clinton Savings Bank will donate all of the sand Fitzpatrick uses for the sculpture to the town of Boylston for use in multiple community projects.

The event is designed to be a fun family day for all, but the inspiration for the giant sand sculpture is a reminder from CSB to homeowners and home buyers that “your home should be your castle.” Many of the prizes being given away are geared to help homeowners, including gift cards for Home Depot, free lawn care services, discounts on carpeting and window treatments, as well as cash.

“Considering all that has happened in the economy, the housing market and in the news, we thought it’d be fun to host a light-hearted event for the families in our community,” explains Robert J. Paulhus, Jr., President and CEO of Clinton Savings Bank. “Since many of those families are also in the process of doing springtime projects around the house, refinancing their homes or are looking for more room for their growing families, we thought we’d find prizes to help them meet their goals.”

In a related promotion, anyone who applies for a jumbo mortgage from the Bank by June 19 will be entered to win \$1,500 off their closing costs. The winner will be announced at the Sand-tastic Giveaway Celebration.

“As a community bank, we believe it is our responsibility is to help people make smart housing decisions, because it helps the region’s economic stability,” added Paulhus. “Events like this are critical to show families and home buyers that their dreams of homeownership are more possible than ever given the current mortgage rates and lower housing prices. The prizes we’re giving away will give them an additional leg up, while the sand sculpture just makes the event more fun for everyone.”

The Sand-tastic Giveaway is open to the public. While no purchase is necessary to enter the prize drawing, winners will need to be present at the time their name is drawn so they can dig-up their prize. For more information, call Clinton Savings Bank at 888-744-4272(4CSB).

Fitzy Snowman Sculpting

Sean and Tracey Fitzpatrick are owners and operators of Fitzy Snowman Sculpting. They have traveled all over the country creating amazing sand sculptures for major corporations, community organizations and private clients.
