CLINTON SAVINGS BANK DONATES \$2,000 TO SUPPORT MENTAL HEALTH

(CLINTON, Mass., April 30, 2024) – Clinton Savings Bank (CSB) recently matched funds raised by employees who donated five dollars each to dress down for a day, resulting in a \$2,000.00 donation to Cultivate Care Farms, in Bolton, Ma. Cultivate Care Farms strives to create a safe, supportive, and inclusive space to promote wellness for all people and to diminish barriers created by mental health stigmas.

The funds donated will allow for the continued care of over 60 livestock animals on the farm and help clients solve problems, demonstrate empathy, and develop individual strengths. Through physical work and connection with the animals, clients gain insights into their own abilities for positive change within themselves and in relationships with others.

“Thanks to the generous support of Clinton Savings Bank, our communities get to experience an environment that allows individuals to work through their mental health challenges,” said Megan Morgan, Executive Director.
